

**Trial of "Upriser Hi-Growth" (Organic Manure)  
on Jojoba Plants**

Encouraging results were noticed on the trial of "Upriser Hi-Growth" (Organic Manure) which was carried out on Jojoba

Plant by "Association of the Rajasthan Jojoba Plantation & Research Project (AJORP), Pant Krishi Bhawan, Jaipur (Rajasthan), at their Jojoba Farm, village Dhand, Jaipur in the month of June 2002.

The confirmation letter of farm manager in this connection speak of itself about the results as judged in the month of December 2002.

"Upriser Hi-Growth" was applied at the rate of one kg. per age year of the Jojoba plant of Q-106 variety.
